Computer Display Cable - 16-ft. HDMI to DVI Gold Digital Video Cable HDMI-M / DVI-M

Highlights

- Premium Double Shielded Digital Video Cable
- Gold plated connectors provide low-loss
- Bandwidth up to 5Gbps

Description

Tripp Lite's 16ft DVI - HDMI (High Definition Multimedia Interface) cable allows interconnection between digital display devices, such as DTV's (Digital Television), Plasma displays, LCD TV's, and projectors, to Digital source devices, such as Digital Set-Top boxes, DVD/DVD-R players, and AV receivers. HDMI DTV's will display video received from existing DVI-equipped products, and DVI-equipped TVs will display video from HDMI sources. HDMI technology uses a much more compact and user-friendly connector than the existing DVI connector. The HDMI specification handles higher-bandwidth, uncompressed video, and multi-channel digital audio, all in one neat cable solution. (DVI-HDMI cable supports video digital only). Tripp Lite Lifetime Warranty.

Package Includes

- 16ft HDMI to DVI Gold Digital Video Cable - HDMI-M/DVI-M

Features

- Creates a pure digital connection between DVI-enabled HDTV display devices and HDMI-enabled digital video sources
- Gold plated connectors provide optimal signal transfer
- Premium Double-Shielded HDMI compliant cable protects against outside noise (EMI/RFI)
- Impedance matched twisted pair construction reduces cross-talk and interference
- Lifetime Warranty
